Mega Event Production carries only the latest equipment, including sound systems, lighting, effects, and more! We carefully select the best quality, most reliable, and roadworthy gear available to ensure you have a hassle free rental. All packages and rentals of \$250 or more **INCLUDE** delivery and setup by trained professionals to save you money and time.

As one of the bay areas few shops with certified technicians on staff, you can be assured that equipment is in perfect working order; if it doesn't look great or is broken, we don't rent it out.

Our sound systems feature professional grade JBL speakers and Crown amplifiers and our larger systems come complete with a sound engineer at no additional fee! We have a full range of mixers available from Mackie, Numark, and Pioneer.

As one of the leading LED rental companies, most of our lighting and effects use low power, high output LED bulbs for safety, efficiency, and proven reliability.

You can also rent video cameras, monitors, projectors, generators, truss, stages, support gear, and more. Give us a call to find out how we can help with your next event.

## LIGHTING PACKAGES

Lighting Packages provide a complete solution for adding spectacular lighting for your event. Great lighting has the power to make any venue look simply amazing!

### Effects Lighting Package

Our Effects Lighting Package features the latest LED and Laser lighting effects to amaze your crowd! Each package comes with 4 DMX controllable lights mounted on a sturdy lighting T-stand. The lights in this package are manufactured by Chauvet, and include the LED KintaX, LED DoubleDerby, LED Mushroom, and Scorpion Storm RGX Laser effect. The lights will easily cover any size dancefloor. The package comes with a stand and cables.

**\$149.00 per day**

**\$239.00 for 2 per day**

### Strobe & UV Lighting Package

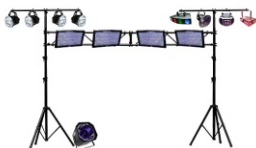

Our Strobe & UV Lighting Package features the latest super bright strobes combined with a UV floodlight for a great effect. Each package comes with 4 SuperStrobes mounted on a sturdy lighting T-stand, together with a UV flood for blacklight effect. The strobes include a professional 4 channel controller with a number of chase effects built-in. The lights will easily cover any size dancefloor. The package comes with a stand and cables.

**\$119.00 per day**

**\$189.00 for 2 per day**

**NEW!**

### Total Lighting Package

The Total Lighting Package includes a combination of our Effects Lighting Package, Strobe Lighting Package, and 4 Chauvet LED COLORpalette units which are linked together to produce amazing light patterns that are simply stunning! This is all mounted on 2 sturdy lighting stands with a 10ft truss bar in-between, creating a look your guests will love! Each package comes with all cables, stands, and truss.

**\$299.00 per day**

### Wedding & Event Lighting Package

Our Lighting Packages offer an incredible effect that will totally transform your venue into something spectacular! Combining computer controlled LED fixtures to flood walls and ceilings with color and traditional leko lamps to project images or even your name in a warm, focusable light. Our starter package includes 8 LED fixtures, 2 Source 4 Lekos with your choice of gobo, all cables, stands; and a lighting operator for the duration of the event!

**\$499.00 for 8 LEDs / 2 Lekos per day** (rooms up to 30' x 30' 900sq ft)

**\$699.00 for 16 LEDs / 3 Lekos per day** (rooms up to 50' x 50' 2,500sq ft)

**\$949.00 for 24 LEDs / 4 Lekos per day** (rooms up to 70' x 70' 4,900sq ft)

# LED LIGHTING

We're proud to be one of the bay areas largest providers of energy efficient LED stage and effects lighting. Choose from our extensive list of options below.

**NEW!**

### MEGA LED Par 64 Flood

The MEGA LED Par 64 Flood contains 183 of the latest chipset Ultra-Bright professional 10mm LEDs with an advanced control circuit for smooth fading, more accurate color, and faster response. With 7 DMX Channels, a rear LED display, double leg stand, and four button control panel to access the great built-in effects. Brightness is equivalent to a 250-300 watt fixture; great for wall washes. Comes in a flight case with all cables.

**\$139.00 for 4 per day**  
**\$239.00 for 8 per day**  
**\$449.00 for 16 per day**

### Chauvet LED COLORpalette / COLORstrip

Chauvet's COLORpalette and COLORstrips are perfect for wall washes and feature automated and sound-active programs through master / slave or DMX as well as four distinct operating modes. The LEDs ensure low power consumption and long life. The COLORpalette is a 6-27 channel DMX system with 288 LEDs in 8 sections. The COLORstrip is a 4 channel DMX system with 384 LEDs. Both items come in a case with all cables.

**\$199.00 (COLORpalette) / \$239.00 (COLORstrip) for 4 per day**

## SOUND PACKAGES

From individual speakers for meetings to powerful, concert quality sound systems for thousands of people, we can provide it all... and at great prices!

### Small Sound Package: JBL EON G2 10" / 15" with Mixer & Mic

Our Small Sound Packages use JBL EON G2 speakers in either 10 or 15 inch paired with an easy-to-use compact 4 channel Numark mixer, and Shure SM58 professional wireless microphone(s). Our smallest package consists of a single 10 inch speaker and microphone; ideal for meetings of up to 50 people. Our 2 and 4 speaker systems come with two microphones and are perfect for larger events. All packages come with stands and cables.

**\$169.00 per day for 1 JBL EON 10" with 1 Mic, Mixer, & Stand**  
**\$299.00 per day for 2 JBL EON 15" with 2 Mics, Mixer, & Stands**  
**\$439.00 per day for 4 JBL EON 15" with 2 Mics, Mixer, & Stands**

### Medium Sound Package: JBL MRX525 with Crown Amps

This system uses 2 x JBL MRX525 full range professional speakers that provide outstanding quality, clarity, and power. Paired with Crown amplifiers, dbx processing gear, and a rack case it makes an incredible system. With 5,000 watts there's enough power for up to 500 people; just add your mixer and sound source for a complete solution. Package comes with cables and a sound technician to operate the equipment.

**\$599.00 per day**

### Large Sound Package: JBL MRX525/MRX528 with Crown Amps

This system uses 2 x JBL MRX525 and 2 x MRX528 professional series subwoofers to provide outstanding quality, clarity, and power. With 10,000 watts of Crown amplifiers, dbx processing gear, a rack case; there's enough power for up to 1,000 people. Just add your mixer and sound source for a complete solution. Package comes with cables and a sound technician to operate the equipment.

**\$999.00 per day**  
**\$1,899.00 for double the power per day**

### Small Concert Package: JBL MRX525/MRX528 with Crown Amps

This package consists of 2 x JBL MRX525's, 2 x MRX528 subwoofers, 10,000 watts of Crown amplifiers, and dbx processing gear; all paired with a Mackie 1604VZL mixer, 50ft snake with stage box, and 10 professional quality microphones including 2 radio mics. Enough power for up to 1,000 people; just add your instruments for a complete solution. Package comes with cables and a sound technician to operate the equipment.

**\$1,379.00 per day**  
**\$2,159.00 for double the power per day**

# AUDIO SYSTEMS

All our Sound Packages feature JBL and Crown systems for outstanding quality; our larger systems even come with a sound technician at no additional charge!

## JBL EON G2 10" / 15" Powered Speaker with stand

The JBL EON system is firmly entrenched as the industry leader in powered portable speaker systems. Perfect for live sound reinforcement, speech and vocals, music playback in entertainment, and more. The EON G2 10 inch is a compact unit that delivers 175 watts of power, great for smaller venues. The larger G2 15 inch delivers a powerful 400 watts of power (two speakers provides power for 100+ people). Speakers come with stands and cables.

**\$69.00 per day for G2 10" Powered Speaker (or \$129.00 for 2)**  
**\$99.00 per day for G2 15" Powered Speaker (or \$179.00 for 2)**

## JBL JRX118SP Powered Subwoofer with speaker pole

The JBL JRX118SP perfectly complement the EON system with robust and powerful bass. Featuring a specially designed amplifier with 500 watts of power output and a stereo crossover designed for use with EON speakers. Add one or two of these subwoofers to your rental to add more bass presence... perfect for music with heavy beats such as house or hip hop. All speakers come with a speaker pole and cables.

**\$99.00 per day**  
**\$169.00 for 2 per day**

**NEW!**

## Pyle-Pro PWMA1080i Battery Powered Speaker with mic

The Pyle-Pro PWMA1080i is a portable, battery powered 800 watt (peak) 200 watt (continuous) PA system with an iPod dock, 4 inputs, and a wireless microphone included. When electricity is not available, the unit can operate for up to 5 hours on a single charge, while the VHF wireless microphone has a 45 hour battery life and a 100' range. Transporting is simple with the telescoping handle and heavy-duty casters. Comes with a power cable.

**\$149.00 extra for double the power per day**

## DJ EQUIPMENT

Now you can always be seen with the latest DJ gear at your events, with the best equipment from Technics, Pioneer, and Numark to choose from.

### Technics SL1200 Turntable

The legendary Technics SL-1200 Turntable has been the industry standard for over thirty years. With a powerful Direct Drive motor providing High Torque (1.5kg cm) for quick start-ups, a precision quartz movement system for accurate pitch control, an aluminum diecast cabinet, a low mass S-shaped tonearm, and the overall feel DJs can't live without. Each turntable comes in a flight case together with all necessary cables.

**\$89.00 per day**  
**\$179.00 for 2 per day**

### Pioneer CDJ1000 MK3 CD Player

Pioneer's flagship CDJ-1000 MK3 revolutionizes the way to play CDs and is used by many of the world's top DJs. Just like vinyl, you can stop the digital sound with your fingers and cue up in exactly the same way. Even bending the sound and scratching without latency is possible. The MK3 supports playback of MP3 CDs for even greater flexibility. Each CD player comes in a flight case together with all the necessary cables.

**\$159.00 per day**  
**\$289.00 for 2 per day**

### Numark X2 Hybrid CD Turntable

The revolutionary Numark X2 Hybrid is a turntable and the first CD player with a full 12 inch control platter. Play vinyl like any other deck using the ultra high torque (4.5 kg cm) direct drive motor, and use the same platter to precisely cue and control any CD or MP3 CD! The X2 allows simultaneous playback of the CD and turntable... enabling mixing from the same unit. Each turntable comes in a flight case together with all the necessary cables.

**\$149.00 per day**  
**\$269.00 for 2 per day**

**NEW!**

### Pioneer DVJ1000 Video Player

The Pioneer DVJ1000 offers the same operation as the CDJ1000, but with enhanced DVD specifications allowing DJs to easily create and add visuals to their sets. DVD visuals can be manipulated as you would music; so digital video scratches, loops and instant cues are all possible. The unit features both NTSC and PAL playback using a built-in converter. Each CD player comes in a flight case together with all the necessary cables.

**\$329.00 per day**  
**\$599.00 for 2 per day**

## MIXERS

Our mixer lineup include multi-function units with built-in CD Players, iPod, and Serato control. We also have fully digital mixers for unsurpassed sound quality.

### Numark CD MIX-3

The Numark CD MIX-3 is an integrated 2-channel DJ mixer and dual CD player. The combination eliminates the need for excessive gear and is ideal when space is an issue. In addition to standard CDs, the MIX-3 unit supports MP3 CD playback. Other features include inputs for external turntables, & MP3 players, a 3-band stereo output EQ, and a microphone channel. Each mixer comes in a flight case with all necessary cables.

**\$139.00 per day**

NEW!

### Numark iDJ2 iPod Mixing Console

The Numark iDJ2 is an iPod DJ mixing workstation that enables 2 songs to be mixed from a single iPod and features additional USB inputs for connection to other USB storage devices. Songs from multiple devices can be stored onto a single playlist for easy accessibility. Featuring large jog-wheels for audio manipulation and an integrated 2-channel mixer. Each console comes in a flight case with all necessary cables.

**\$169.00 per day**

### Numark DM1002X DJ Mixer

The Numark DM1002X is a simple, great sounding 2 Channel DJ Mixer. Features include 2 line, 4 phono and 1 microphone input, a 3 frequency equalizer on each channel, kill switches, transform buttons, and a professional crossfader with curve control. There's even bass and treble control on the DJ microphone together with a talkover switch. Each mixer comes in a flight case with all necessary cables.

**\$39.00 per day**

### Behringer DM4000 Digital Mixer

The DDM4000 is a state-of-the-art 32-bit digital mixer, packed with creative tools. Hook up your turntables, CD Players, and MP3 players to its 4 stereo channels, each with digital EQ and Kill switches. Features include fully programmable beat-sync'able multi-FX modules, a pair of precision BPM counters, digital crossfader, and BPM synchronized sampler with pitch control. Each mixer comes in a flight case with all necessary cables.

**\$149.00 per day**

## MIXERS

Our live sound mixers include the industry standard Mackie 1604-VLZ MK3 and our amazingly compact Midas Venice mixer; featuring 28 channels to handle larger events.

### Rane TTM 57SL Serato Mixer

The TTM 57SL Performance Mixer integrates Serato Scratch Live with the best of Rane's hardware. Now you can control Scratch Live from your mixer without touching your laptop! Features include the scratch live control surface, advanced recording, effects, magnetic faders, and a USB interface allowing you to use the unit as an external audio interface. Each mixer comes in a flight case with all necessary cables.

**\$189.00 per day**

### Pioneer DJM-800 Digital Mixer

The DJM-800 is a powerful 4 channel 96kHz / 24 bit digital mixer that's complemented by 61 individually assignable MIDI control channels. It features a 'Harmonic Mixing' system which detects a track's key, removing inaccuracies created when adjusting the pitch. Other features include a variety of built-in effects, automatic BPM detection, and Digital Beat Effects. Each mixer comes in a flight case with all necessary cables.

**\$219.00 per day**

### Mackie 1202-VLZ MK3 / 1604-VLZ MK3 Mixer

\*Mackie 1604-VLZ MK3 Shown

Mackie 1202 (12 Channel) & 1604 (16 Channel) VLZ's has been the long-running favorite of audio professionals the world over for sound quality, ease of use, and rugged dependability. With even greater headroom than the original, a redesigned mix bus, and better EQ; the MK3 is a workhorse perfect for live mixing or home and studio recording. Each mixer comes in a flight case. Audio snakes and cables are available for rent separately.

**\$99.00 per day for Mackie 1202-VLZ MK3**

**\$119.00 per day for Mackie 1604-VLZ MK3**

### Midas Venice Mixer (28x4x2)

Venice is Midas' first truly compact console that's great for smaller conference or live band applications. It provides the perfect feature set with high quality mic preamps and a stable, responsive EQ section, just as they do on their larger consoles. With simple configuration, the console is extremely quick and easy to use. Each mixer comes in a flight case. Audio snakes and cables are available for rent separately.

**\$329.00 per day**

# MICROPHONES

Whether you need a simple microphone for announcements, professional vocal mic for stage, or a microphone for pickup in meetings, we have the right one for you.

## Alesis AM1 Microphone

The Alesis AM1 is a dynamic handheld microphone for virtually all music and speech applications. No matter what it is picking up, the AM1 delivers crystal-clear sound. Featuring a cardioid pickup pattern for the rejection of sounds behind the mic, a wide, 50 - 14,000Hz frequency response for accurate pickup, a built in on / off switch, and a solid, rugged handheld feel. Microphone comes with a 15ft cable.

**\$12.00 per day**  
**\$30.00 per week**

## Shure SM58 Microphone

The Shure SM58 unidirectional (cardioid) dynamic vocal mic is designed for professional vocal use in live performance, sound reinforcement, and studio recording. It has a tailored vocal response which is a world standard for singing or speech. A highly effective, built-in spherical filter minimizes wind and breath 'pop' noise and the cardioid pickup pattern minimizes unwanted background noise. Microphone comes with a 15ft cable.

**\$23.00 per day**  
**\$49.00 per week**

## Shure Beta 57A Microphone

The Shure Beta 57A is a high output supercardioid dynamic mic designed for professional sound reinforcement and project studio recording. It is excellent for acoustic and electric instruments as well as vocals, providing optimal warmth and presence and high gain before feedback. Typical applications include drums, guitar amplifiers, brass, woodwinds and vocals. Microphone comes with a 15ft cable.

**\$34.00 per day**  
**\$79.00 per week**

## PZM / Boundary Microphone

This omnidirectional low profile boundary microphone is designed to provide 360° quality pickup, ideal for business conference rooms where clear speech intelligibility is required. With an attractive, compact design, it is great for desktop use, conference tables, video depositions, and podiums. Microphone comes with a built in 15ft cable.

**\$34.00 per day**  
**\$79.00 per week**

# MICROPHONES

**With UHF transmission and full diversity, our wireless microphones have incredible range and clear sound without the dropouts found in lower end units.**

## Shure ULX Wireless with SM58 Handheld Microphone

The Shure ULX Wireless system offers exceptional performance and full, clear audio signals. It includes features such as automatic frequency selection, over 1,400 selectable frequencies, predictive diversity, 5-segment audio meter, and a 3-segment battery gauge. This system includes a ULXS4 receiver together with an SM58 Handheld Wireless Microphone. Comes with power supply, feedback eliminator, and all necessary cables.

- \$89.00 per day (1 channel)**
- \$149.00 per day for 2 mics (2 channels)**
- \$159.00 per week (1 channel) or \$249 per week (2 channels)**

## Shure ULX Wireless with Lapel Microphone

The Shure ULX Wireless system offers exceptional performance and full, clear audio signals. It includes features such as automatic frequency selection, over 1,400 selectable frequencies, predictive diversity, 5-segment audio meter, and a 3-segment battery gauge. This system includes a ULXS4 receiver together with a choice of Shure Lapel Microphones. Comes with power supply and all necessary cables.

- \$89.00 per day (1 channel)**
- \$149.00 per day for 2 mics (2 channels)**
- \$159.00 per week (1 channel) or \$249 per week (2 channels)**

## Sennheiser EW 100 G2 Wireless Lapel Microphone

The EW 100-ENG G2 system is ideal for video recording in the most varied recording situations. The ME 2 clip-on microphone is virtually invisible for discreet recording. The extremely small SK 100 G2 bodypack transmitter and EK 100 G2 camera receiver feature nine frequency banks with four directly accessible presets each ready for immediate use. Comes with all necessary cables.

- \$59.00 per day**
- \$139.00 per week**

## ADDITIONAL ITEMS

## MONITORS & HDTV

For presentations that demand attention, we have the monitor or HDTV to get the job done, with sizes available from 20.1" to our latest 52" Sony Bravia in HD.

### ViewSonic VX2025WM 20.1" Widescreen LCD Monitor

The VX2025wm's high brightness and contrast ratio allow you to see images in crisp, sharp color. 300-nit brightness and a 800:1 contrast ratio allow for rich, detailed images. You'll also enjoy up to 176° viewing angles both horizontally and vertically, which provide enhanced image legibility from all directions. Add all that to a 20.1inch viewable area with 1680x1050 resolution and you've got a monitor that can handle any task you throw at it.

**\$69.00 per day**  
**\$149.00 per week**

### Sony KDL-32XBR9 Bravia 32" HD 1080p 120Hz LCD HDTV

Experience full HD 1080p with the 32 inch XBR HDTV. This flat panel has a 40,000:1 dynamic contrast ratio which produces deep blacks in darker scenes. Motionflow 120Hz refresh rate technology delivers crisp, clear images for gaming or watching fast-action movies. It also incorporates advanced power saving features and comes with 7 HD inputs, and includes a USB port and PC input.

**\$189.00 per day**  
**\$379.00 per week**

### Sony KDL-46XBR6 Bravia 46" HD 1080p 120Hz LCD HDTV

### **Rental Rates:**

All rates included in this price list are standard daily rates. Weekly and monthly rates are available.

### **Delivery & Pickup:**

Our delivery schedule is based upon the time your event is scheduled and the number of hours of setup required. We usually deliver and setup your equipment at least 1 hour before the start of your event, and pickup after your event ends. Clients must be present to accept equipment, and payment arrangements must have been made prior to drop off.

Clients requiring pickup of equipment after midnight may incur a late pickup fee. A stairs fee will be charged for venues with stair access only. Parking fees and tolls are the responsibility of the client.

### **Labor:**

Regular equipment setup is included with all our packages and rentals totaling more than \$250. Additional setup, such as running cables around or next to doors, positioning equipment in locations requiring longer wiring runs, and custom programming will be billed at our standard labor rate of \$100 per hour, billable in 15 minute increments.

When utilizing a rental with a sound technician included, the technician's sole responsibility is in ensuring the sound system is setup and functions correctly. It is the clients responsibility to provide their own sound technician to connect audio inputs and mix the music according to individual band requirements.

Video Camera rentals do not include an operator or media. Please call for our camera operator labor rates if required. Blank media is available to purchase at the time of booking.

### **Payment:**

Full payment is due 10 days in advance of your event. A credit card must be on file to cover any damage to equipment.

### **Refund Policy:**

100% refund if cancelled more than 30 days prior to the event, 75% more than 15 days, 50% more than 7 days, 25% more than 3 days, and 0% 1 day before the event.

### **Security:**

Security of the equipment is the responsibility of the client for the duration of the rental, even if a MEGA Event Production employee is present at the venue.
